

Trip planning

In order to help save fuel, minimize driving stress, and maximize your enjoyment of the drive, advanced preparation can really pay off. This assignment puts you in the captain's chair, responsible for every detail of the journey.

By choosing a destination outside of Ontario, you will provide details in point form for each of the following:

1. Departure details
2. Destination details
3. Total round trip kilometers
4. Preparing your vehicle
5. Preparing the driver
6. Route directions and street names
7. Rest stops
8. Emergency plan
9. Estimated time of departure
10. Estimated time of arrival

This assignment is worth 5 marks and must be presented in session six.
